Tablet's screen (to
enter the application,
touch that grumpy
face)

iPad

07:19 PM

When the app is not yet ready to use (teacher hasn't done yet the setup on the website), some really cute picture/animation will be displayed here to distract the kids

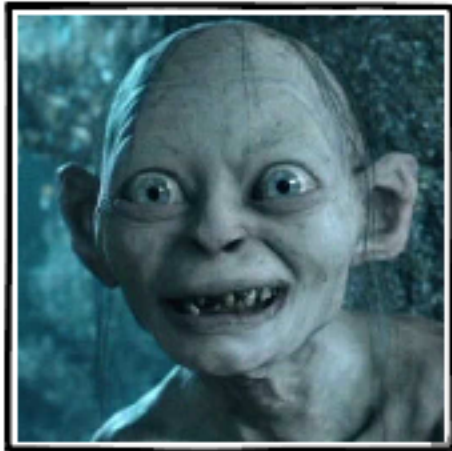

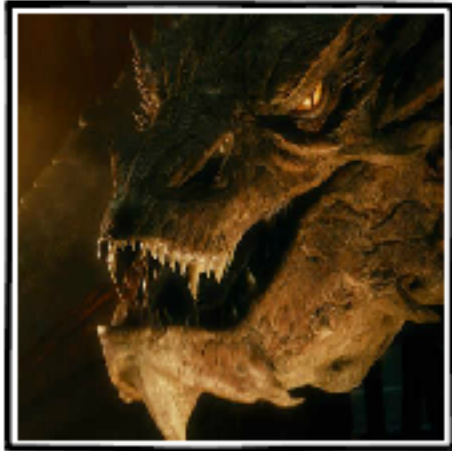

We don't use
BUTTONS < >,
but we allow
children to slide
between pages

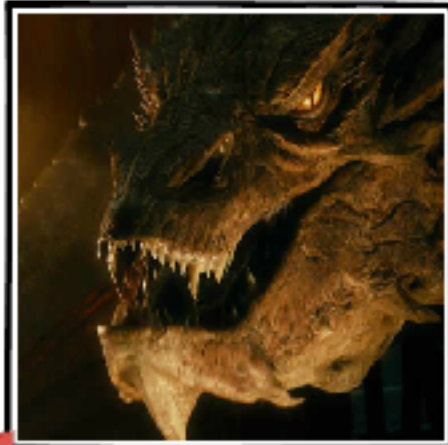

iPad

07:19 PM

It means this
picture is clicked
once

Voice : "GOLLUMN. Click one more time to choose it"

Vote stops in 2 cases : the teacher presses STOP on the website, or all the kids have voted
